How can you help me?

I'm here to assist you with anything related to your studies and college administrative services. Here's a quick overview of what I can do for you:

Academic information

- **Timetables** – retrieve your class schedule for any day, semester, or programme.
- **Exam schedules** – show dates, times and venues for upcoming exams (by semester or subject).
- **Academic calendar** – list important dates such as holidays, registration periods, and deadlines.

Financial & scholarship support

- **Fee status** – check whether your tuition/fees are paid, outstanding balances, and due dates.
- **Scholarship status** – see what scholarships you've been awarded, amounts, and any conditions.
- **Fee-due-date changes** – submit a request to move a payment deadline (requires admin approval).

Student services

- **Raise a support ticket** – report technical issues, registration problems, or any other concern and get a tracking number.
- **Request documents** – obtain official transcripts, enrollment letters, etc. (via the appropriate ticket).

Personalised help

- Because I'm linked to your student record (ID S1004), I can pull your specific data, but I'll always ask for confirmation before sharing any private details.

Just let me know what you need—e.g., "show my Thursday timetable for Semester 2," "what's my scholarship amount," or "I'm having trouble logging into the portal"—and I'll take care of the rest!
